MARCH ACTIVITIES

March Reg. Meeting, 3/9/72. Good turnout. 19 men (6 without uniforms) present, five absent. A number of items discussed including the setting up of a raffle. Every member should sell at least 50 tickets, some will sell 200 or more. Remember the patrol is counting on you to sell all 1500 tickets. So get busy, we need the money--bad. By the way, the squad that sells the most tickets will be taken to "dinner" by the squad that sells the least (dinner means a cheap hamburger).

March Reg. Work Night, 3/16/72. About one half the membership showed up. The men worked on several vehicles including putting a radio in Farrer's truck. Also, 150 more rounds of 38's were put together. Those present were Murray, Long, Nicol, Springer, Kendall, L. Provost, both Thackers, Davis, and Brisk.

Co. Commissioners Meeting, 3/18/72. Two patrol members met with county commissioners, clerk, and Dale Berg. The Fair Days Demo Derby was discussed. The Fall derby will be put on by the Cutter Asso. A letter will be sent to the posse by the county clerk before the patrol's next regular meeting. Ned Thacker and Jerry Brisk were present.

Wallsburg Raid, 3/18/72. At Approx. 11:35 pm the posse received a call from the Highway patrol that assistance was needed in Wallsburg. Within 25 minutes possemen were at the scene. Harrocks and Tadd from the HP and city police were also at the raid. Patrol members helping out were the sheriff and deputy, Loveless, Parker, Davis, Clegg, Giles, Brisk, Springer, L. Provost, Kendall, Nicol, P. Provost, Chatwin, and Mower. Arrests were made and evidence (beer) confiscated. Say, when's the posse going to have another party?

Raffle Poster Making, 3/18/19/72. Twenty posters for the raffle were made and distributed throughout the valley; three in Midway and the remaining in Heber. Five wives of members volunteered their artistic talents on the project. These included Nancy Provost, Joyce Nicol, Ora Clegg, Karen Springer, and Maurine Kendall. Thanks girls, the patrol sure needed the help. Also, a number of wives and families have been helpful in the direct selling of tickets. Thanks again.

Raffle Ticket Kick Off, 3/23/72. Eight members showed up. Nicol, Springer, Brisk, Murray, Chatwin, Davis, Kendall, & Clegg. Community support has been very good. Members will have no trouble selling 50-60 tickets if they will just take the time and get out selling in their uniforms. Bring your stubs and money to the April 13th meeting; also bring any extra tickets. Brisk and Springer are Chairing the Campaign. They need your support.

First Locomotive Escort, 2/25/72. On the above date the Sheriff's office received a call from the Wasatch Mt. R.R. to escort the transporting of two locomotives from Provo to Wasatch County. The Sat. run was given to 6 posse members, Murray, L. Provost, Loveless, Springer, Farrer, and Brisk. The task included blocking and directing downtown Provo traffic and escorting. The patrol members had a short time to wait in Provo and took advantage of the time to take a tour of the Utah Co. Jail; an interesting place to visit, but....

Second Locomotive Escort, 2/26/72. Sunday saw a crew of squad B Possenen bring the second Wasatch Mountain Railroad Locomotive from Utah County. These were Clegg, Davis, Hoggan, and Parker. Say, how come it took less men to move the Second Train (which was the largest) in less time and on Sunday with more traffic? Maybe it was because the Squad B bunch was being ramrodded by Squad A's Sgt. Nicol!!!!

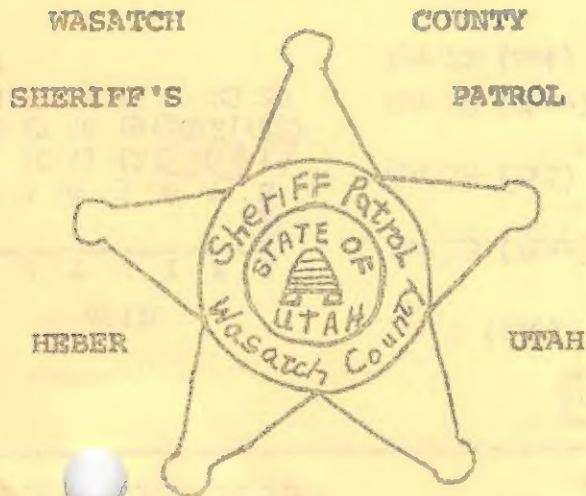

COMMANDER'S CORNER

Since January 1, 1972, the Patrol has been involved in over twenty-five activities, assignments, and functions. They have ranged from 2 or 3 men details to callouts of the whole Patrol. Total manhours put in by the unit during the same period should approach 1,000. At the April 13th regular meeting a log or chart will be presented showing in detail where these hours have gone. It is not put together as an effort to boast for nor embarrass any member. The log is simply a record of the units functions and time put in by the membership. Such a log or record will be very important in compiling data for the Quarterly National Log as well as showing unit members where they have participated and how many hours donated during the quarter. In regard to the Patrol's log, it is each man's responsibility to give the number of all "extra hours" to his Sgt. or the Patrol Sec. by the end of each month.

The fund raising raffle campaign has started out great and nearly $\frac{1}{2}$ the tickets have already been sold. Hopefully, the members will have them all sold by our April 13th meeting. It's all "downhill" now.

Your Commander and Board are very grateful that the membership of the Patrol has demonstrated so much interest, responsiveness, and enthusiasm during the first three months of the year. It is this kind of dedication and self-sacrificing that will someday make the Wasatch Patrol one of the top units in the state and even the nation. Keep up the good work.
